GARBAGE PICK-UP

The Town of Hilton Head has contracted Republic Waste Services to provide residential garbage and recycle collection to all residents of the island.

We are also pleased to announce a new recycle program that rewards you for recycling. One recycle cart will be provided to each resident that signs up at no charge.

RECYCLEBANK

With RecycleBank, you can earn points based on your recycling efforts. You'll receive your share of points by reporting your participation -- either online at RecycleBank.com or via your mobile application. Once you report, your points are deposited in your RecycleBank account and can be used to get rewards like gift cards and discounts to your favorite local businesses, restaurants, and national retailers.

HOW IT WORKS

Recycle all that you can. Republic Waste Services offers "single-stream recycling," which means all recycling is picked up together and you don't have to separate anything.

Your recycling efforts are converted to RecycleBank Points when you report your participation to us.

RecycleBank®

Redeem your points for the rewards of your choice.

Please complete this form if you would like to sign up.
