Women's Health Club

Real Results
caring for
Real Women

Liberty Fitness has HELPED me in many ways, first by overcoming my battle with weight loss. I have lost 102 pounds and went from a size 22 to a size 7. As a 33-year-old mother of 2, time is a major concern for me, which is why I love the 30-minute concept. I work out at Liberty Fitness 3 times a week, practice yoga and use the far-infrared sauna therapy to reach my goals. Liberty Fitness HELPED me change my life. I know it can change yours, too.
